What is an AJ Kroger Gift Card?

A re-loadable gift certificate that works like a debit card. When purchased from Adath Jeshurun Preschool, Kroger will send 4% to the preschool each time you load it.

How do I use the Card?

To Load or Use your card, present it to any Kroger cashier. When you use the card, the remaining balance will appear on your sales receipt. You may add up to \$300 additional value to the card at any one time. You cannot add value online. If you pay with your credit card, you will still accumulate points or miles.

What products can I purchase with my Card?

Any merchandise in-store (including prescriptions) or at Kroger gas stations, as allowed by law, with the exception of online purchases and Courtesy Desk Services, thereby excluding money orders, lottery tickets, stamps, hunting/fishing licenses and Western Union.

What happens when all the card value is used? Should I throw the card away?

Re-load your Card to add value within 90 days. As soon as you do, Adath Jeshurun Preschool will earn 4% back. A zero balance Card is inactive after 90 days, cannot be reloaded, and should be discarded. Present your Card at checkout to any Kroger cashier to add additional value to an active card. The Card can be used for merchandise returns. When you return merchandise over \$10 without a receipt to Kroger, the value of your returned merchandise will be added to your Card.

Does the Card ever expire?

No, so long as value remains on the Card; however, if a Card has a zero balance for longer than 90 days, the Card will become inactive and value can no longer be loaded onto the Card. Don't let this happen to you! *Get in the habit of re-loading the card often! Use it every time you shop at Kroger!*

Is my Card considered to be cash?

Yes, your Card represents a prepayment for goods available at the stores listed on card. Each time the card is used, the purchase amount will be deducted from the Card face value. The card cannot be exchanged for cash, except where required by law.

Can anyone use my Card?

Yes, treat the Card like cash. Names do not appear on the Card. Use it yourself or give it to anyone you choose. Be sure to let the Preschool office know the primary card user's name.*

***What if my Card is lost or stolen?**

Call the Preschool office at 451-3434 as soon as possible to get your old card number and a new card. Take the new card to any Kroger Guest Services Desk and balance from old card will be transferred to your new card. Please do not obtain a new card at Kroger as it will no longer provide funds to AJ nor will your balance transfer.
